

# 2015 BRSC Fall Flight Application

September - December 2015 (14 weeks)

\*\*Please complete the below form and return to the front desk at least 1 week prior to the first flight match\*\*

## Rules / Guidelines

- Factors for deciding flight rosters include: USTA ratings, past performance in flight(s), tryout, playoff and Tennis Director/Flight Director professional opinion.
- All flight participants must be BRSC members in good standing. Your membership must correspond with the times the flights occur (i.e. a daytime member can only play in flights from 7am-3pm)
- The submission of this application **does not guarantee a space in the flight.**
- There will be NO FLIGHT PLAY on **11/26-11/28, 12/24-25, 12/31 nor 1/1/16**
- Flights may be open to non-members at a higher cost. Members are given first priority. Non-Members may play but will need to pay an additional \$75 to the flight they are registering for.
- All prices are per person and include registration fee, court fees, new balls and awards.
- NO REFUNDS WILL BE MADE WITHOUT AN APPROVED REPLACEMENT.  
\*Make-ups of personal absences are NOT provided unless previously approved by the flight director. Players are expected to find their own subs, however, the director will be able to assist in finding subs.
- The Flight Director and/or Tennis Director reserve the right to transfer flight members.
- All players are required to submit an application even when renewing. In doubles flights w/partner, a position is held by a team, not an individual. If a team dissolves, players must re-apply with their new partner.
- Flight schedules and player/sub list will be provided to all players
- In the event that a flight date is cancelled (due to weather, etc.), the flight will be extended to include the cancelled flight.
